Re: Tucson Electric Power Company
2012 Rate Case
Docket No. E-01933A-12-0291

0000143193

To Whom It May Concern:

The Southern Arizona Homebuilders Association ("SAHBA") is an intervenor in the above-referenced proceeding; and, in my capacity as President of SAHBA, my prepared Direct Testimony in support of the February 4, 2013 Settlement Agreement was filed on February 15, 2013. This letter is intended to supplement that testimony.

More specifically, SAHBA wishes to express its appreciation to Tucson Electric Power Company ("TEP") and the other parties for the transparent and constructive manner in which the settlement discussions were conducted and the language of the Settlement Agreement was initially drafted and ultimately finalized. By virtue of that process, SAHBA was able to have its interests and objectives fully addressed. In that regard, SAHBA has had previous occasion to work with TEP towards the resolution of other matters of a regulatory nature; and, as in this instance, has found TEP to be responsive to the interests and concerns of SAHBA's members.

Sincerely,

David Godlewski
President, Southern Arizona Homebuilders Association
